4. Mr. Amory called and said he had received a call from Senator Karl E. Mundt's office (D., S. Dak.) concerning Mr. Amory's speech at the University of South Carolina. Mundt was apparently impressed by Mr. Amory's speech and requested a copy in order that it might be inserted in the Congressional Record. Amory indicated to them that his speech was made without notes and was supposed to have been an "off-the-record" speech and, therefore, no text was available.
